The hirer will notify the renter on the day of receipt if the equipment is not operating correctly.

3. The customer agrees to pay all applicable rental charges for the nominated rental period and any other applicable fees and charges in advance prior to shipment to the customer. When the equipment is returned and confirmed to be working correctly the renter will release the card details or any secure deposit amount to the Customer within 48 hours.

4. The customer understands that the payment processing system used by the Renter is 'Stripe'. The customer understands that information used on the Stripe network is subject to Stripe's privacy policy. The customer understands that the Renter does not have access to their personal payment information excluding the last four numbers of the used card number.

5. The customer agrees to pay the applicable payment processing fee associated with the Stripe payment system used. Fee pricing is 1.7% + AUD \$0.30 for domestic cards and 3.5% + AUD \$0.30 for international cards. This is the only applicable payment processing fee associated with the hire.

6. Delivery of equipment to the customer shall take place at the premises of the renter or be delivered by the Renter or a representative of the renter to the hirer for a delivery/pickup fee.

Return of the equipment by the hirer is solely at the hirers' expense and risk if arranged to be returned to the premises of the Renter from where it was dispatched. The renter may agree to deliver the equipment to the hirer for a delivery/pick up fee which will be added to the hirers' invoice. The renter may agree to pick up the equipment for a delivery/pickup fee after the final invoice is issued and the fee will be charged to the payment details of the hirer. The customer agrees to not ship the equipment by post. Delivery and pickup by the Renter are limited to 30km from Scarborough Esplanade unless otherwise agreed upon by the Renter.
